

After My Visit to the Apiary

Name: _____

1. Describe what a hive looks like.

2. Draw three hive tools you saw during your visit. Name them if you know the name and describe how they are used.

3. Draw a picture of the frame equipment you saw. Explain how it works. What did the apiarist tell you?

4. What protective equipment did the apiarist wear/show?

5. Tell me about 4 beekeeping tools you saw during your visit. Draw a picture of them.

6. What is a hive smoker? _____

7. Draw what an extractor looks like and explain what it does.
